## QATAR COFFEE COMMUNITY AND CAFE OWNERS

Greetings to the Coffee Community!

Warm greetings from Harvest Coffee Qatar!

We are excited to announce that Harvest Coffee Qatar will be leading an upcoming coffee event and competition this October 2026.

This event is more than just a competition—it is a celebration of passion, craftsmanship, and the growing coffee culture in Qatar. We are proud to invite everyone, especially café owners, baristas, roasters, coffee professionals, and coffee enthusiasts, to be part of this remarkable journey.

Together, we have the opportunity to take Qatar's coffee industry to a new level and create history by establishing Qatar as one of the most passionate and respected coffee communities in the region.

Let us come together, support one another, and grow as one community with one vision.

One for all, all for coffee.

## ABOUT THE CHAMPIONSHIP

Competitors first qualify through regional or national championships in their own countries.

The winner of each national championship earns the right to represent their country at the World AeroPress Championship.

AeroPress, let the games begin!

Competitors will battle it out on stage, showcasing their brewing skills as they face the judges' evaluations. After an exciting competition, one champion will earn the honor of representing Qatar at the World AeroPress Championship.
